**IV. STATEMENT OF CLAIM**

(State here as briefly as possible the facts of your case. Describe how each defendant is involved, including dates and places. Do not give any legal arguments or cite any cases or statutes. Attach no more than three extra sheets if necessary.)

1. On Tuesday Nov. 19 2019 at 2:30pm, I along with my whole block were taken to the gym by the CERT team. After being lined up facing the wall my self along side of my fellow inmates were told one by one to strip out of our cloth then turn around pull up our butt sack then turn around again and bend over and cough

2. Since that day I am not able to shower or urinate around others and I feel that I am being laughed at by staff and others including inmates. I have always been very self conscious with myself and this caused me to feel belittled, put down, stripped of my dignity and worst of all made fun of and ridiculed by other inmates, some which of the Gay Prosecution.

3. The reason for all this is that there was 3 females COs around during the strip search. First CO Shwartz was video taping the whole procedure while CO Anderson and CO. Bale were in the bubble watching on camera's that were on each corner of the gym. And this is not the first time this happened

V. **RELIEF** (State briefly exactly what you want the court to do for you. Make no legal arguments. Cite no cases or statutes.)

1. I would like that there is a formal investigation into these claims and policy changed by security AKA (CERT) on their stripping and shake down policies.
2. I request a monetary amount of judgement to be awarded to myself and possibly the other inmates that suffered, pained and adstand through these processes. And that they also are fined for the costs of prosecution and all fines for said investigation.
